APPOINTMENT TO THE NATIONAL DEFENCE UNIVERSITY

Dear Colonel Windmill,

You have been kind enough to share your knowledge and experience in economic development and nation building with a series of lectures.

The sharing of this knowledge has been undertaken in a spirit of friendship and genuine interest in helping this country. In recognition of these personal efforts, we appoint you as '**Professor of Economics & Management**' within the National Defence University for the duration of your time within Iraq.

We look forward to hearing more of your lectures and hope that you will continue to be a friend of Iraq for many years to come.
